

**REMARKS/ARGUMENTS**

This Communication is responsive to the Office Action of November 13, 2008 and the Advisory Action issued March 6, 2009. A Petition for Extension of Time (one month) and the fee therefor are submitted herewith.

In the Office Action, the reissue oath/declaration is stated to be defective on the basis of the assertion that it is "misleading." The Office Action asserts that one reviewing the Declaration would somehow be misled into believing that the signatory, Paul Heinz Bruder, whose address and signature are identical to the address and signature of the inventor, Paul Heinz Bruder, is somehow not himself.

Applicant respectfully traverses the basis of this rejection and repeats and reiterates the remarks as stated in the Response to Office Action dated February 13, 2009.

However, in the interests of furthering the progress of the instant application to issuance, applicant submits a Supplemental Combined Declaration and Power of Attorney for Reissue Patent Application herewith which is believed to be in compliance with the Examiner's dictates. Accordingly, the Examiner is respectfully requested to withdraw the rejection of the Declaration and pass this case to issue.

Respectfully submitted,
